WHAT TO EXPECT

Extra Costs Along the Way
Anything outside the itinerary — like the meal on board for KIX-KUL, additional activities, or personal expenses — is paid directly by you.

Compact Hotel Rooms
Hotels in Japan tend to run smaller than you might expect (Japan's own standard), with less space if you're booked into a triple room.

Hotel Location
Hotels outside the city center are generally more spacious than those inside it, while still sitting near or accessible to public transport.

Restaurant Seating
Halal breakfast options are limited, with a mix of Japanese, Malay, and Indian food served through the trip — some hotels serve a Continental breakfast (pastries, eggs, fruit, milk) instead, and packed breakfast is given depending on the situation. At lunch and dinner, larger families may be seated across more than one table due to the restaurant's own arrangement.

Lots of Walking
Expect plenty of walking at some locations, including the Arashiyama Bamboo Forest and the shopping streets.

Mount Fuji View
Mount Fuji's view isn't guaranteed — visibility depends heavily on the weather.
